"Campbellsville, We Love Thee"

Campbellsville, we love thee,
And we hail thy name:
Thou has been a blessing
And thou art still the same:
Highest praise and honor
We do gladly bring to thee,
We will sing in gratitude,
Eternally.

Campbellsville, God bless thee,
Keep thy standards high:
May God's presence linger
And hearts to Him draw nigh:
When thy task on earth is o'er
And learning there's begun,
May thou hear the voice of God,
"Well done, well done."

"For I know the plans I have
for you," declares the Lord,
"plans to prosper you and not
to harm you, plans to give
you hope and a future."

Jeremiah 29:11

Taming of the Shrew

by William Shakespeare

This adaption of Shakespeare's work has an '80s punk feel provided by the music and costuming. Underneath is traditional Shakespeare. Lucentio arrives in town and falls in love with Bianca, whose father Baptista will not allow her to marry until her shrewish sister Katherine (Kat) finds a husband. Petruchio woos Kat to the pleasure of Bianca's many suitors and to Kat's dismay. Petruchio marries Kat, but can he tame her?

Gianni Schicchi

by Puccini

When Buoso Donati dies, his greedy relatives are shocked to find that he's left his estate to the Friars of Santa Reparta. Rinuccio convices the family to seek help from Gianni Schicchi, the father of his beloved, Lauretta. Rinuccio hopes that Schicchi's help will make it possible for him to wed Lauretta. After much convincing, an imaginative scheme is hatched. Schicchi impersonates Buoso, rewrites the will, and acquires a large dowry for Lauretta.

The 2007 football season at best was a disappointment for lack of a win. Out of a season of working hard and disappointments, a desire to win has been born. This fact was evidenced by the football team during their last game against Bethel College. With just minutes left in the game, Campbellsville was still in a position to defeat the number-four nationally ranked Wildcats. The Tigers eventually fell 34-21 to Bethel but out of this game and season was born a desire to win in 2008. Better days are ahead for Campbellsville as they prepare for a new season under new head coach Perry Thomas.

"We're not scared of anybody," said CU Coach Keith Adkins after the final game of the Tigers miraculous run to the Fab Four of the NAIA National Tournament. After a slow start to the Conference season, the Tigers clawed their way into the National Tournament. Their Fab Four finish was a remarkable ending to one of the best seasons in school history.

The 2007-2008 basketball season was one of new beginnings and great expectations. The 07-08 season marked the beginning of Ginger Colvin's coaching career at Campbellsville University. It also marked the beginning of a playing career for eight fresh-faced Lady Tigers. With a brand new crop of players and a brand new coach at the helm, the Lady Tigers experienced great success in the 07-08 season. Coach Colvin's squad finished the season with a record of 19-13 and narrowly missed out on a bid to the NAIA National Tournament. This winning record was achieved in the midst of losing two very talented players, Sara Sexton and Megan Murphy, to ACL injuries midway through the season. In the end, Coach Colvin's first season will be remembered as one of great success in the midst of great challenge and as a year in which a foundation was built for championship success in the years to come.

After an up-and-down season, overshadowed by the weather, the Tiger Baseball team hit its stride at the end of the season, winning its 4th consecutive Mid-South Conference Tournament Championship, and 5th in the last six years. Once again, they returned to the NAIA Region XI Championship Game for the second straight season, finishing Runner-Up. Senior, Jeff Duda had a banner year and was honored by being named MSC Co-Pitcher of the Year and Honorable Mention All-American. The Tigers continued to exemplify the meaning of student-athlete, leading the conference with the most Academic All-Conference selections with eight.

CU continued its recent domination in the Mid-South Conference by hammering out its third straight MSC Softball Tournament title in 2008. The Lady Tigers finished the season with a 12-9 conference mark, which was second in the Mid-South Conference. After starting the season 0-4, they won four straight games to get back on track. It was a mid-season 11 game winning streak that turned around the fortunes of the team. In the Conference tournament CU won three straight games, including a 1-0 decision over rival Lindsey Wilson to capture the Championship hardware. They earned the automatic bid into the NAIA Region XI Tournament in Henderson, TN where they were eliminated in two very close games. They ended the season with a 29-21 record. Five ladies were named to the All Mid-South Conference team and eight were named to the Academic All-Conference Team. Lauren Wathen was named the MSC Player of the Year. She, along with Krystle Johnson, were named to the NAIA Region XI All-Region team.

The 2007 soccer season brought the team its share of ups and downs all season long. After a slow start the Tigers could have laid down and called the season quits but with determination and hard work CU worked out the kinks and finished the season strong. A fourth place conference finish was lower than expected; however, this season will show the Tigers everything that needs to be corrected to excel in the highly competitive Mid-South Conference in the 2008 season. The Tigers will lose seniors Brent Salomon, Brian Adams, Tyler Vessels, Andrew Stinson, Uzias Gonzales, Drew Skaggs, Chris Adkins, and Kyle Wheeling to graduation but with a strong recruiting class and a core of experienced returning players they are poised for continued success and will continue to lead the program to the top.

The team was able to rally together and win the next six out of nine games to finish 8-10 on the year. In the Mid-South Conference Tournament Play-in game Campbellsville fought hard but lost to West Virginia Tech 4-2 in two overtimes. Highlights of the season included wins at NCAA DII Bellarmine, and a road win at Cedarville along with a three game winning streak to wrap up the regular season.

CU's Wrestling program began it's fourth season of competition in 2007 as the #1 ranked team in the NAIA. It is believed to be the first time in the history of CU Athletics that a team was the top ranked team in the pre-season. Coming off a very successful season in 2006 which saw the program produce it's first individual Nation Champion in Zach Flake, the program appeared to be primed to make a strong run towards the team title. However, injuries throughout the season to key wrestlers, including Flake, combined with a very strong schedule against several NCAA Division I and II programs and the top NAIA programs provided difficult obstacles ot the title. In the NAIA National Wrestling Meet CU qualified 12 wrestlers for the event and finished the meet in 14th place. CU had four All-Americans in 2008: Zach Flake, David Clemens, George Sheppard and Glen Jackson.

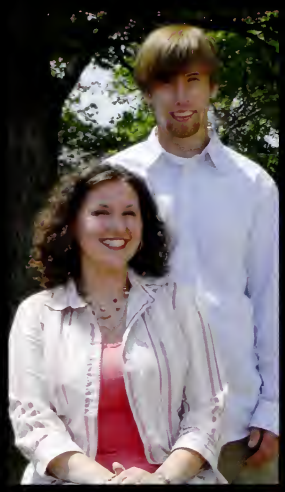
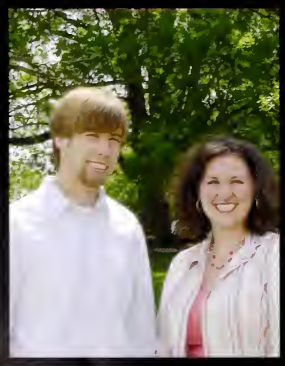
Mr. and Miss Campbellsville

Trent Creason of Campbellsville, Kentucky and Heather Campbell of Graysville, Pennsylvania were named Mr. and Miss Campbellsville University at the annual Honors and Awards Day. Trent's grandfather, Mr. Arthur Creason, accepted this honor on his behalf.

Dr. Carter stated, "Each year the Student Government Association administers the vote for Mr. and Miss Campbellsville University. Ballots are sent to faculty and staff to vote on a graduating senior who best exemplifies our university as the typical student, based on scholarship, leadership, character and potential for success."





Letter from the President

As we look back on this past 2007-08 academic year, we can see that it has been an historical year. In the first year of our second century, we once again are thankful for the growth and improvement of Campbellsville University. The university had its 15th semester of record enrollment of 2,405 students in fall 2007 followed by a record spring 2008 enrollment of 2,303 students.

Campbellsville University continues to make great strides in the academic program areas. The School of Education and The School of Business both received national accreditation for their respective areas. Plans are in the works to break ground on the new School of Education and School of Business in the summer of 2008. The School of Nursing program has completed its second full year of classes and graduated its first class of 22 nurses. Our international student population hosted 212 students representing 36 different countries a record at CU.

Gosser Gymnasium was completed in this spring and serves as an auxiliary gym for intramural sports and wrestling. Finley Field has been updated to allow a better playing surface and stands for our fans.

As you can see, Campbellsville University has grown in both programs and facilities, but more importantly, the spirit of Christ is alive and evident around the campus. Through the vast work of our mission teams (both at home and abroad), spirit-filled campus revivals and ministry opportunities to the community, our students are truly learning and practicing servant leadership.

As we enter our second century of Christian higher education and service, we will continue to strive to further Campbellsville University. We must thank our dedicated faculty and staff. Without their hard work and example, we would not be where we are today.

We pray that the over 400 Campbellsville University graduates will be a force of betterment for our communities as they continue to lead others in Christian example. These students are true testaments that as you study and learn at CU, you can find your calling for life.

Most Cordially,

Michael V. Carter
President
Campbellsville University

Colophon

I hope each of you enjoy and treasure this year's 2008 *Maple Trail*. It is 200 pages of assorted photos depicting the most memorable moments of the school year.

The photos were taken by the Office of University Communications, Sports Information, Supertone Studio, and the Maple Trail Staff. Also important to mention were several individuals who helped this project come to light; such as, Sandra Riggs who was instrumental in compiling pictures and working on the arts pages and Bryan Blair who aided in helping our staff achieve their goals. I would especially like to thank Dr. Michael V. Carter, Dr. Frank Cheatham, Mr. Otto Tennant, and Dr. John Burch for their support and encouragement throughout the year.

Honorable mention goes to Billy Hargis, our Jostens representative. He continually helped set our pace so we would complete the project in a timely manner. Most importantly, I am thankful for my mentor Patty McDowell, the University's yearbook advisor, who is the foundation and rock of our team. Her continued dedication to oversee the *Maple Trail* each year is a true asset to the University.

The completion of the yearbook this year was bittersweet. This is my senior year and it is time for me to pass the torch. Campbellsville University will always be a part of me and part of who I am. My four years attending the school has been four of the most wonderful years of my life. I am continually blessed with God's grace and love. I have made wonderful friendships I know will last a lifetime. God bless each and everyone of you.
